

ALGER COUNTY

PROPOSAL TO OFFSET HEADLEE ROLLBACK IN COUNTY ALLOCATED MILLAGE

proposal, if passed, will allow the County of Alger to levy a total of **5.0781** mills annually on all taxable property in the County to offset Constitutional rollbacks)

**With the limitation on the amount of taxes which may be assessed against all property be-
leased by .5 mill (50 cents on each \$1,000 of taxable valuation) for a period of TEN
years, being 2010 through 2019, to provide funds for operating purposes; the estimate of
revenue the County will collect if the millage is approved and levied in 2010 is
approximately \$177,500 (this millage will be levied only to the extent necessary to restore
millage lost as a result of the reduction required by the Michigan Constitution, up to
the amount of the current 5.0781 mills during the term of this proposal).**
