

READY?
IT'S TIME TO

RRIP-IT-UP!

Non-native invasive plants can harm your land and water and wildlife...your fishing and hunting and berry picking...your pasture land...your property values.

But you CAN do something about it.

Be a part of **RRIP-IT-UP**,

the Rapid Response Invasive Plant Intervention Team of the U.P.

FREE
WORKSHOP!

Come to a FREE workshop and learn:

- What non-native invasive species are
- Why they're harmful
- How to identify the most common invasives in our area
- What methods of removal or treatment are most effective
- How to restore habitat with native plants

THREE DATES AND SITES

Grand Marais Community Building
Monday, August 9

Pick the one most convenient for you!

Each workshop runs from
6:30 until 8:30 pm

Skandia Township Hall
