Instructions

This form is used to report total Taxable Valuations, broken down by classification, for each township and city within the county. The Taxable Valuations reported here are the final Taxable Valuations as of the fourth Monday in May, NOT the Tentative Taxable Valuations. Final Taxable Valuations may be different from Tentative Taxable Valuations when a township or city receives a county and/or state equalization factor more or less than was used to calculate Tentative Taxable Valuations. NOTE: Where there is a partial Homeowner's Principal Residence Exemption or partial qualified agricultural property exemption, split the taxable value between Homeowner's Principal Residence (column 10) and Non-Homestead (column 13).

Report the Taxable Valuations for the six classifications of real property in columns 1 through 6 on page 1. Then enter the total Taxable Valuations for real property in column 7, page 1. Report the Taxable Valuations for personal property in column 8, page 2. Add the total Taxable Valuations for real property (column 7, page 1) and personal property (column 8, page 2) and enter in column 9, page 2. Report the Total Taxable Valuations of entire township or city for Homeowner's Principal Residence, Qualified Agricultural Property and Qualified Forest Property in column 10, and Non-Homestead and Non-Qualified Agricultural Personal Property, and

| Non-Qualified Forest Property except Commercial and Industrial
| Personal Property, in column 13. Report the Total Taxable Value
| of Commercial Personal Property in column 11. Report the Total
| Taxable Value of Industrial Personal Property in column 12.

Issued under authority of the General Property Tax Act,
Section 211.27d. Filing is mandatory.

Statement of Taxable Valuations in the year 2011 made in accordance with Section 211.27d of the Michigan Compiled Laws.

(Do not report Assessed Valuations or Equalized Valuations on this form.)
